DESCRIPTION

This act revises certain provisions of the police retirement systems in Kansas City to make the plans consistent with the provisions of Section 401(a) of the Internal Revenue Code. A member's benefit shall be vested upon the earlier of completing 25 years of service, age 60 with 10 years of service, or age 70 regardless of years of service.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
